FOREWORD and DEDICATION

We present this 1952 edition of the Harrisonian to the graduating seniors. We hope that it will remain a cherished reminder of happy memories to them, long after the sharp scythe of Father Time has severed these scenes from their minds.

To Harrison High School and its projected rehabilitation, we, the class of 1952, dedicate this annual. We sincerely hope for its rapid and successful completion.

It is our desire that future Harrisonites may have a fine modern school building in which they may add strong links to the never-ending chain of knowledge.

PRINCIPAL'S MESSAGE

The rehabilitation of Harrison Technical High School which is scheduled to begin this year will mark a milestone in the history of this great institution. The school was formally opened in September, 1909 with Mr. Frank L. Morse as principal and a faculty of nine teachers in the Farragut High School. The school occupied the present building in May, 1914. At the time of its occupancy, Harrison Technical High School was considered one of the finest in the country, costing the taxpayers approximately $1,500,000. The annex was added about 1921. The building was quickly filled and during the greater part of its history experienced considerable overcrowding, leading to agitation for additions and extentions to take care of the increased enrollment. The present building program aims at remodeling, rebuilding and repairing the original structure so it can more adequately meet the modern educational requirements of its present student body and will cost considerably more than the original structure.

In Memoriam

MRS. MARY HUNTER

MISS MARIE L. GANNON

Mrs. Mary Hunter's death, October 4, 1951, shocked her friends and students. Mrs. Hunter first taught at Harrison in September, 1922. She eagerly served on many committees and was active in social service work in the community. The Mary Hunter Memorial Library is a tribute to this fine teacher.

Before **Miss Marie L. Gannon's** untimely death, October 31, 1951, she helped her students to become successful in the business world. Miss Gannon will long be remembered by the faculty and students.

RETIRING FACULTY

MR. JOHN H. McCLELLAN

MRS. FLORENCE SKIDMORE

MR. WOODRUFF ALMLOF

MR. WALTER M. RENNIE

Mr. McClellan has taught physics ever since he was assigned to Harrison in 1915. His thirty-seven-and-a-half years at Harrison have been happy ones. Mr. McClellan will enter the business world upon his retirement.

Mrs. Skidmore was assigned here as a Latin teacher in 1914. During her teaching career, she has been active in school affairs until her retirement in February, 1952. Students will recall her as a wonderful teacher and person.

Mr. Almlof started teaching in 1912, and was assigned to Harrison in 1913. He has seen Harrison under all conditions, and we are grateful for his many contributions. He plans to retire to a farm in upper Michigan.

Mr. Rennie, after having taught in the Chicago schools since January, 1922, came to Harrison in 1947. Many students have learned the fundamental concepts of building radios in Mr. Rennie's classes. We wish him success in any plans he has for the future.

DIVISION 8-337

FALL

The time has come for Division 8-337 to bid farewell to Carter H. Our years at Harrison will long be remembered in our hearts. We are truly sorry to leave because of the many life-long friendships which we have formed since 1948.

We are all very proud of Kay Dawson, who is the Vice-President of the Senior Class of January 1952.

Carl Kramp has achieved his goal and become our prominent editor-in-chief of the school newspaper.

Janis Marek is another of our fine class, who has reached a mark of achievement. She is secretary of the Honor Society.

We shall always be thankful to our wonderful division teacher, Miss Landa, who has guided us through our last two years at Harrison. She will always linger in our memories as a wonderful, kind and understanding friend.

DIVISION 8-329

FALL

"All good things soon come to an end." The members of Division 8-329 know this as we complete our high school days.

For as long as we live our memories of Harrison will never be forgotten. In almost all of the activities here in school one or more members of the division have participated. In our midst we have the presidents of the Honor Society, Blue and Gray, and Masque and Gavel. The Band Major and Class Treasurer also come from our class.

DIVISION 8-329

FALL

Harrison will never be forgotten and neither will our division teacher, Miss Bridget Taheny. Miss Taheny has helped us to enjoy our stay here. She has added to our pleasure and enjoyment. So, as we leave, we still keep a spot in our hearts for dear old Harrison.

DIVISION 8-306

FALL

The time has come when we must say good-bye to our treasured friends and enter the world which stands before us.

We would like to thank the faculty, who have prepared us for this next step in life.

The members of Division 8-306 are well represented in the Band, R.O.T.C., Herald Staff, Masque and Gavel, Blue and Gray, Honor Society, Social Laboratory and various other clubs and organizations.

We are proud to have the Secretary of the Class, Arlene Silver, in our division. Arlene is also President of the Social Laboratory Hostesses.

Our success is due to the careful guidance which Mrs. Williams has given us during our four years at Harrison.

The remembrance of the fun we have had attending the various activities will never leave us and will be cherished always.

DIVISION 8-215

FALL

How time flies! Just four years ago our pictures occupied an obscure position in the backs of our Harrisonians. Today, as Seniors, we hold an honorary position in the front. We think and hope we are deserving of this placement.

We have been well represented in most phases of school life, and are proud to have in our midst the president of our class, the treasurer of the Honor Society, a member of our football team, the composer of our class song, chairman of the luncheon committee, band members, and eight Herald and Harrisonian Staff members.

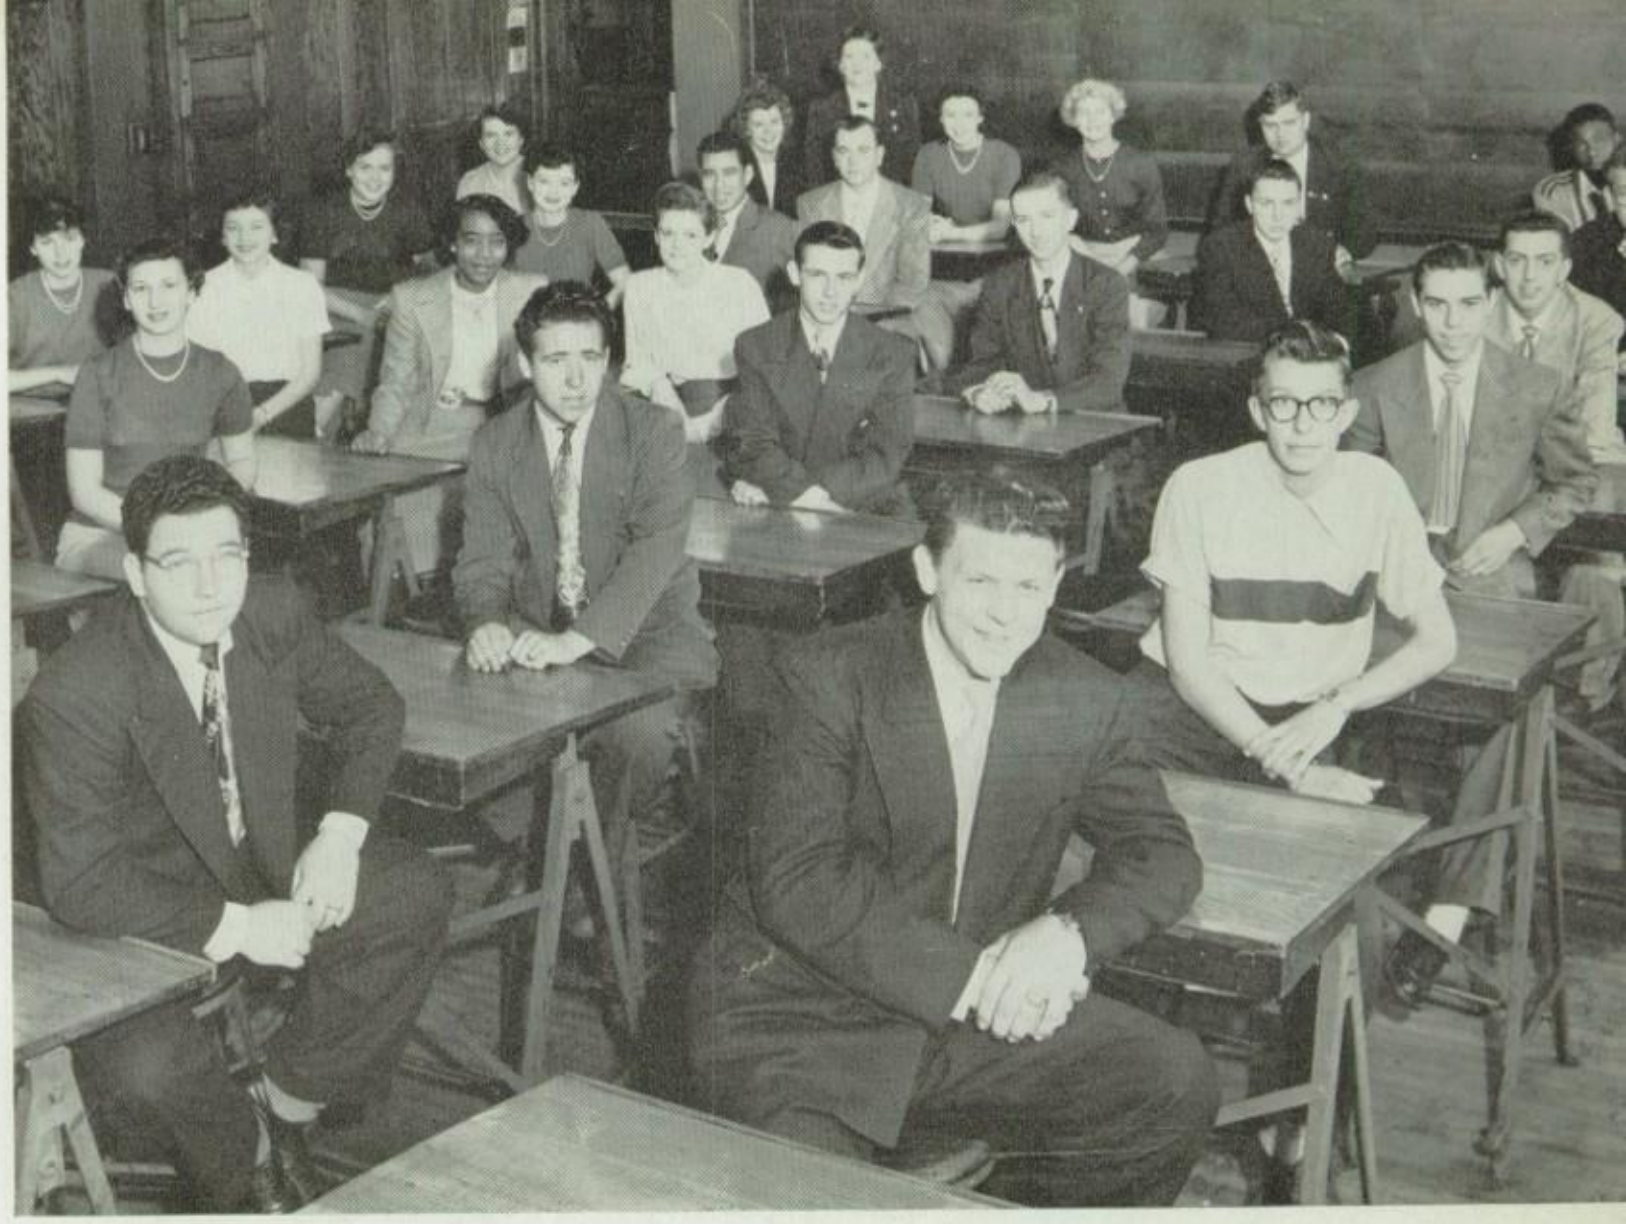
MISS ELSIE R. FOX

DIVISION 8-215

FALL

We wish to thank our several division teachers for their "helping hand" through the door of opportunity, especially Miss Fox, our present division teacher, whose tireless efforts helped to make our prom a success.

We hope that as we go through life, we will prove worthy of Harrison's interest in us.



DIVISION 8-118

FALL

Gather round children;
Your eyes and ears lend
To read of these seniors,
Division 8-118, of nothing they fear.
Four years have passed,
And now we are classed,
As alumnae of H. T. H. S.,
Known only to us as the "Best."
Big wide smiles and happy faces,
We all are of different races:
Of ancestry Polish, Spanish, Jewish, Italian. They,
Each true American at work and at play.
Together we joined, together we parted,
Remembering the day when we first started.
It took us time, but soon we ascended,
The heartbreaks and worries, all were soon mended.
Soon we were known as the "Big Brass"
With a little conceit and a little sass.
Activities all, we have been in,
To us there was nothing we weren't in.
A Cappella Choir, Herald Staff, Band and all,
Honor Society, ROTC, we were all on the ball.
We pause here a moment, as of these we boast,
Kaplan, Jones, Nash and Hofrichter—
All worked together bright and alert.
The time has descended,
And our four years have ended.
We give our heartfelt thanks, to one person who
Has done all the work, Miss Dorothy McHugh.
The page is now ending,
And memories will soon start,
For all day and night
We will miss Harrison High.

MOTHER'S TEA

FALL

JANUARY 10, 1952

Because our class was small, all of the seniors were able to bring their mothers to tea in the Social Laboratory on the same afternoon.

The centerpiece on the table, a castle enfolded in angel hair with leprechauns suspended above, was made by art students.

The girls and mothers were beautifully dressed; the boys looked handsome in their suits, and everyone seemed to have a grand time.

DIVISION 8-213

SPRING

"It's all over, but the memories remain."

Memories of school chums, dances, skating parties, football games, homework. Yes, we are now entering a new phase of life, some to go on to college—others to go to work. We have traveled a long road and are extremely proud and happy that we have had the opportunity to succeed in reaching our goal—graduation.

We shall always note our full representation in all important activities of the school, and we are proud of some who have achieved individual fame. Some of the activities and organizations we have participated in are: the Honor Society, Student Council, Herald Staff, "H" Club, Harrisonian Staff, Dramatics Club, and others.

Sadness fills our hearts to leave, but it is inevitable that we must advance. Hence, we start on individual ways, taking with us happy memories of high school days.

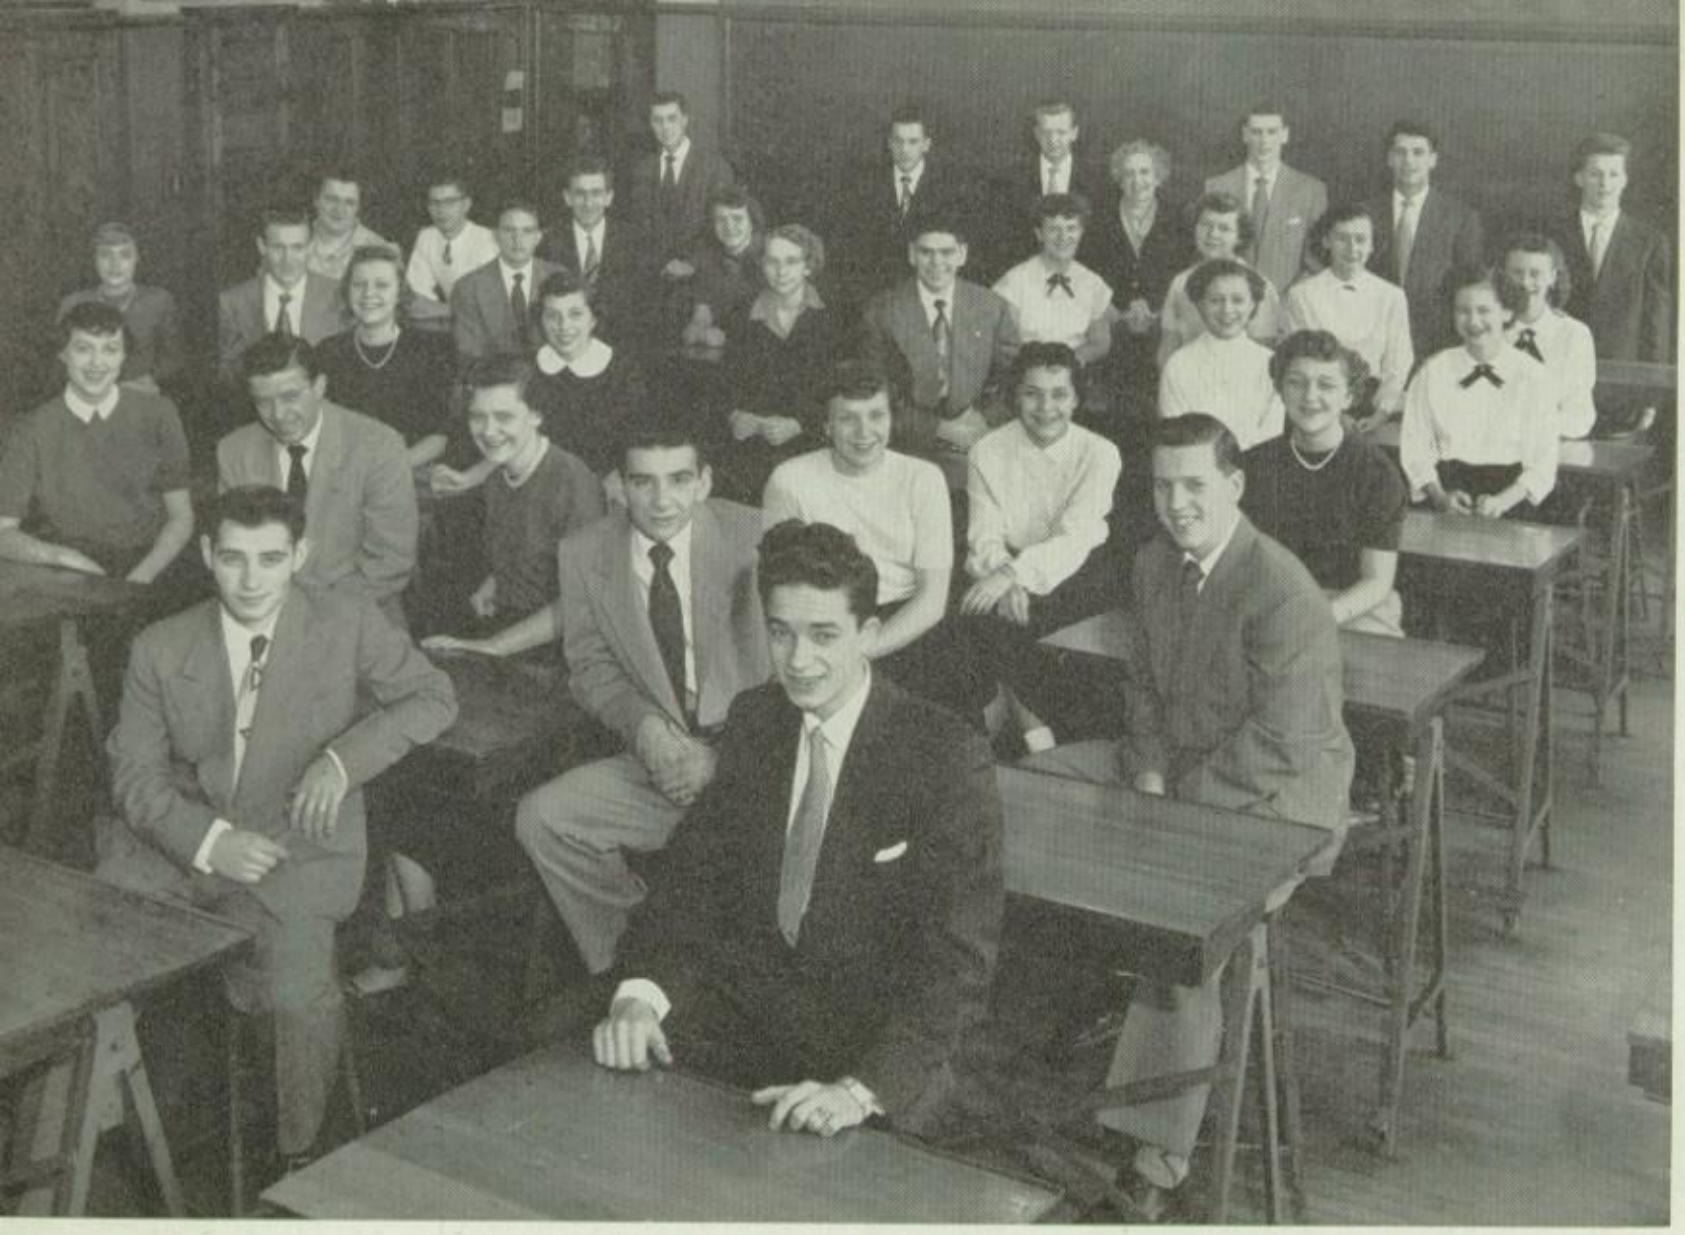
MISS ELSA KOEBER



DIVISION 8-219

SPRING

All too soon, we have come to the end of our high school life. Graduation Day means the parting of the ways for many high school friends. As we look back over the past four years, we are amazed at how swiftly they have passed.

During this time Division 8-219 has been well represented in all of the activities offered at Harrison. The Honor Society, Blue and Gray, the various musical organizations and athletic teams are just a few of the activities in which the students of 8-219 have participated.

MISS MAE L. CUNNINGHAM

We know that we could not have reached this goal of graduation without the guidance of our division teacher, Miss Cunningham. She has been a real "mother" to us, always willing to help us whenever we needed her assistance.

DIVISION 8-219

SPRING

Now as we are about to graduate, we wish to thank Miss Cunningham for all her patience and guidance, and although we are leaving we will have many happy memories to cherish for the rest of our lives—memories of teacners, friends, and, especially, of Harrison High School.

"All good things come to an end," as have our years at Harrison, now past.

DIVISION 8-251

SPRING

We, the members of Division 8-251, look back and recall those good times we had at football games, dances, skating parties, and the Senior Prom. Fond memories will linger always, and friends will not be forgotten, though our paths may not cross again.

During our four years we have been well represented in various activities and organizations: Honor Society, Varsity Football, gymnastics, and swimming teams, Herald Staff, R.O.T.C., band, choir, orchestra, Aquabelles, and Blue and Gray.

We are proud to have with us the 4A class secretary, Maurine Florio; Swimming Team Captain, Jack Moskiewicz; Cheerleader Captain, Rose Raymond; and Herald Editor, June Kurz.

Many thanks to our division teacher, Mr. Borg, for his guidance and counseling in helping us to prepare for the future.

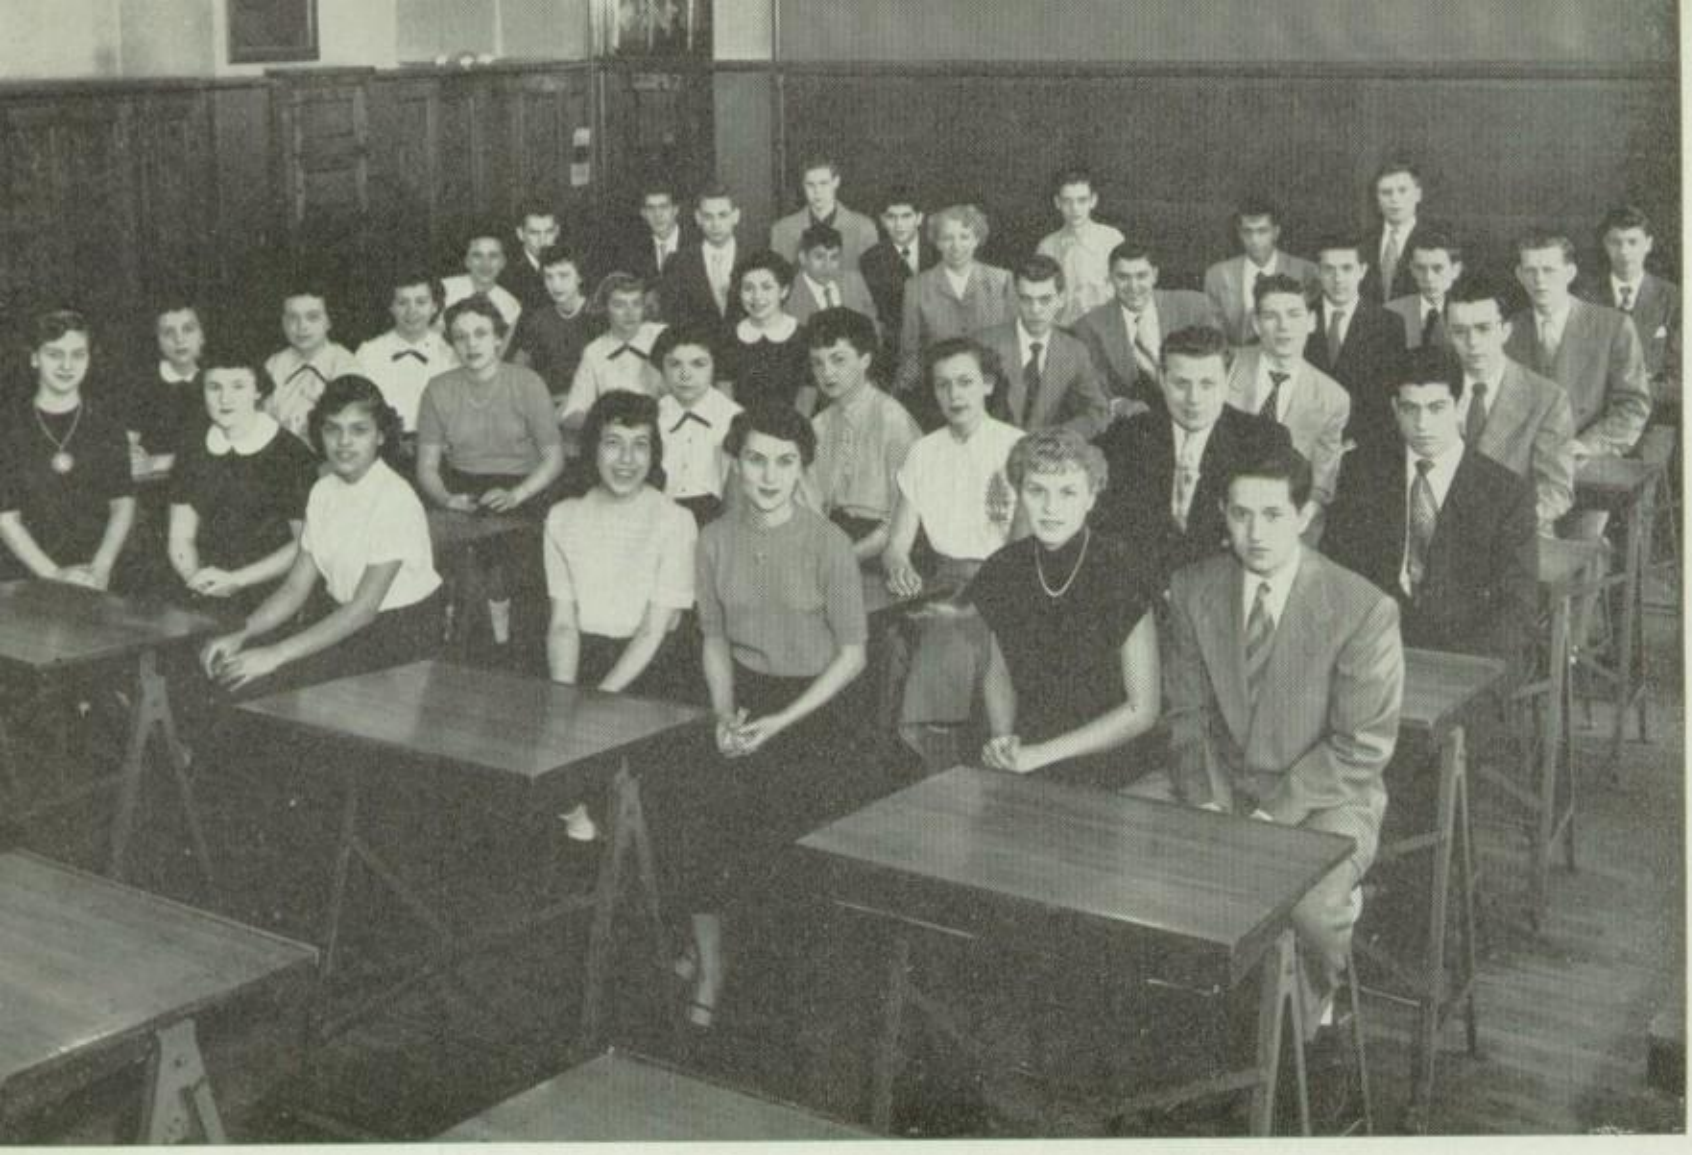
MR. EARL R. BORG



DIVISION 8-255

SPRING

As June draws near we bid a sad farewell to Harrison. We have enjoyed our four years as under-graduates. Now, each of us must go our separate way in the world.

MISS HELEN O'DAY

High school days are never forgotten, nor are the strong friendships which the years filled with good times have brought.

Our division classmates have participated in various organizations and in extra-curricular activities. To mention a few: Harrisonian Staff, Honor Society, baseball team, football team, cheerleaders, Blue and Gray, and the bowling teams.

DIVISION 8-255

SPRING

We would like to thank Miss Marek and Miss O'Day, our division teachers, for the guidance they have given us in our years at Harrison.

We have many pleasant memories to cherish as we enter our new careers, and we will always be proud that we were privileged to be Harrisonites.

DIVISION 8-258

SPRING

As we look back over the four years we spent at Harrison, we can proudly say that they were happy and successful.

We, the members of Division 8-258, have participated in many activities, such as: R.O.T.C., band, Honor Society, Masque and Gavel, Dramatics Club, and as student helpers. The 4A class president is also in our division.

The division members would like to express their gratitude to Mr. Beyler, our division teacher, who has guided us through all four years at Harrison.

Now we would like to bid farewell to all our friends and carry away with us all the memories of our high school days at Harrison.

MR. OSCAR L. BEYLER

DIVISION 8-314

SPRING

Well, we made it! We have finally achieved our goal—graduation. Under the capable guidance of Mrs. Ward, we have emerged from green Freshies to proud Seniors.

MRS. RUBY R. WARD

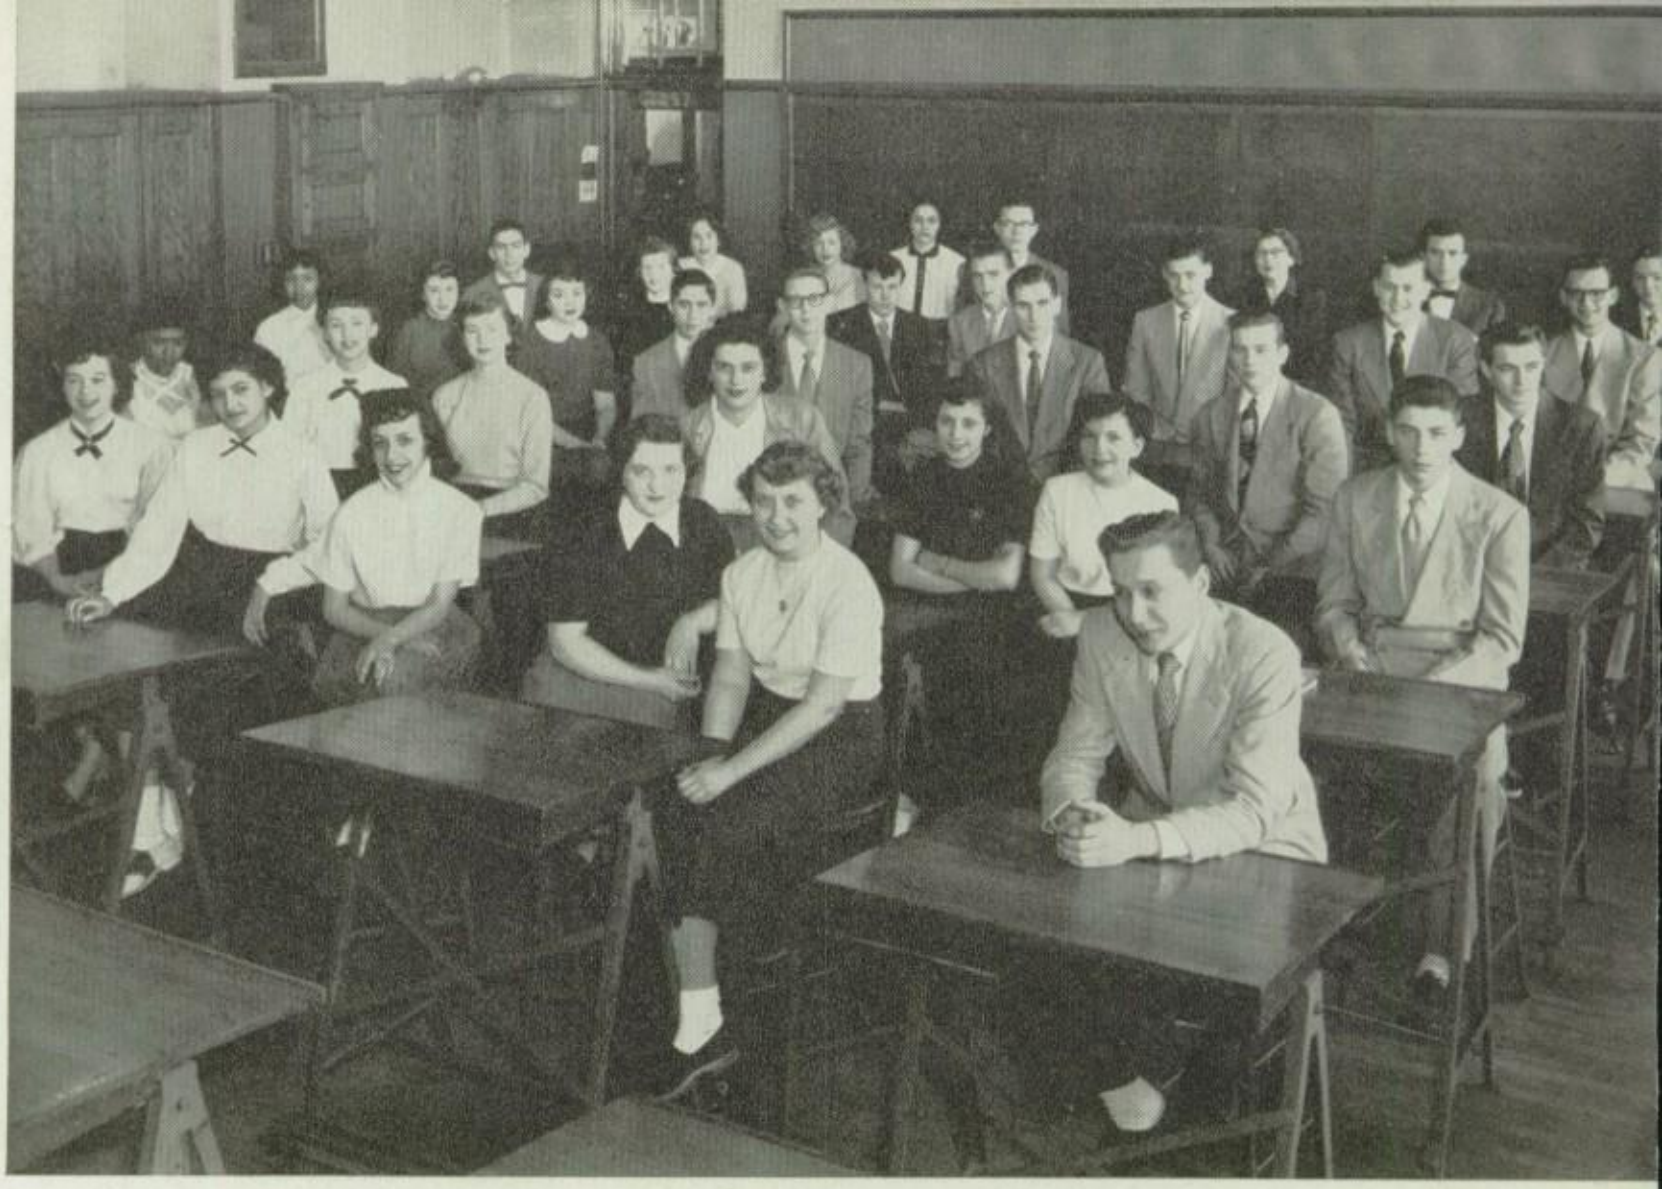
Our division members have participated in many activities including the Girls' Chorus, A Cappella Choir, GAA, "H" Club, and Registration Club. We have also been represented in the Honor Society.

We not only have taken an avid interest in our scholastic work, but we have also gained many friends at Harrison.

DIVISION 8-314

SPRING

It is with mingled feelings that we leave Harrison. The four years spent here will always be remembered. When we take up our different careers in the world, our thoughts will often return to the many happy days we spent here and to the many friends that we have gained.



DIVISION 8-224

SPRING

Now we are able to introduce ourselves as proud and happy seniors of Miss Slutsky's division. Since we started school at Harrison, we have worked to achieve a high scholastic record. As a result, some of our division classmates are members of the Honor Society. Other members have participated in many school activities: such as, The Masque and Gavel, Blue and Gray, and the Student Council. We are proud to have one of our division classmates elected president of the Student Council.

Other members of our division have actively participated in the Girls' Chorus, Treble Choir, A Cappella Choir, orchestra, intramural sports, Herald and Harrisonian staffs, hall guards, student and office helpers.

We shall be leaving Harrison, taking with us many happy memories of the many activities in which a graduate participates.

We are grateful to the teachers who guided us during our four years at Harrison.

MISS BESSIE SLUTSKY

DIVISION 8-152 SPRING

SPRING

So this is farewell. Yes, we of Division 8-152 are leaving Harrison High. We thought how happy we would be; and yet, now that the time has come for our group to be the seniors of the school, we are filled with happiness and a definite sadness.

MR. R. CHASE PHIPPS

When we embarked on our high school career, we were mere Freshies feeling like outsiders in this strange building. Our division, from the very beginning, has tried to put our mark on Harrison's honor list. We have succeeded in most of our endeavors. We came to Harrison looking for friendship, education and knowledge. We found them.

DIVISION 8-152

SPRING

And now we leave Harrison. Of course, we are eager to start out on the road of life and responsibility, but no matter where we go, or what our future holds, we will always remember you, Harrison High.

DIVISION 8-327

SPRING

After four years of working toward every high school student's goal — graduation, division 8-327 has arrived at the last stepping stone.

Throughout our high school years, we have successfully combined academic courses with extra-curricular activities. Members of this division have participated in many recreational activities provided to enrich student life.

We are proud to have among us members of the Honor Society. The president and treasurer of this organization are within our group. Also, we may boast of the presence of the class treasurer.

For many of us the future will hold further education; for others, it may present responsible positions in the business world. Whatever the future has to offer, we hope that our paths will often cross.

Mrs. Sevick, our former division teacher, is deserving of many thanks for her helpful guidance. To Miss Naric, our present division sponsor, our sincere gratitude for her help and kindness during our 4A semester.

On June 26, 1952, we will all bid fond adieu to our alma mater. We wish all future Harrisonites may have an equally pleasant life at Harrison.

"Passes in Review"

The instructor personnel this year consists of Captain William J. Ludwig assisted by Master Sergeant Nelson L. Burton and Sergeant John E. Rooney.

The Cadet Battalion, consistently rated as an Honor Unit at the Anunal Federal Inspection, was commanded by Cadet Lt. Col. Hofrichter during the fall semester and Cadet Lt. Col. Kother during the spring semester.

Major Swails and Sergeant Rea are now serving in Korea after having contributed much to the unit. They are missed by all who knew them and worked with them.

Our three Rifle Teams are coached by Sergeant Rooney who has just recently returned from combat in Korea. The teams have shown remarkable improvement due to the energy and enthusiasm of the Sergeant. The many extra hours of practice by the team members is beginning to show in the consistently better scores. Many important matches have been won and a district winning team is looked for next year.

During the past year the cadet officers have been required to serve in staff positions and actually perform in that capacity. Cadet officers have also been given additional opportunity to act as instructors. It is expected that such duty assignments will promote a broader understanding of the responsibilities of the officer corps.

PICKED PLATOON

The Picked Platoon, under the capable direction of Master Sergeant Burton and commanded by Cadet Lt. Col. Hofrichter, made a splendid showing in the district competition, although failing to win first place honors. The perseverance of this platoon is commendable and will eventually pay off with a winning team.

COMPANY "A"

Company A is designated the "Rifle Company." Cadets in this company are cadets with more experience and training. They must perform in an exemplary manner with precision and snap, reflecting credit upon the cadet corps. These are the cadets to whom the newer boys look for perfection in drill.

Company A is commanded by Captain Kother assisted by Lieutenants Loeffler, Buczkowski, and Close.

The A Cappella Choir, under the direction of Mr. Borg, has become one of the leading organizations in Harrison High School. During Christmas Vacation, the choir joined forces with the choral groups to make the Snowball Dance a success. The group enjoyed participating in the Fall Festival, Thanksgiving and Christmas Assemblies. The choir members have worked hard to blend their voices into perfect harmony. They hope in later years to bring more musical pleasure to everyone.

MIXED CHORUS

The Mixed Chorus, under the direction of Mr. Borg, is a popular activity at Harrison. In this group the members learn to sing together, and also learn singing skills which will prepare them for the A Cappella Choir.

The Mixed Chorus has taken part in many musical activities. They performed the "Hallelujah Chorus" from the *Messiah* together with the A Cappella Choir and the orchestra at the Christmas Festival.

In addition to choral singing the organization takes part in social activities. A major social event of the season was the Snowball Dance.

GIRLS' CHORUS

The girls' chorus under the direction of Mrs. Scanlon is well established as one of Harrison's fine choral organizations.

Each year many new members are enrolled in this group, and after four semesters of active participation, can earn a coveted "H".

This semester's officers have done a fine job of carrying out their respective duties. They and the members look to the future with a song in their hearts.

TREBLE CHOIR

The members of the Treble Choir believe that in order to attain a successful Choral Group they must receive complete co-operation from everyone concerned. They have received high ratings in the following activities: Assembly Programs, Music Festivals, Concerts, and the Chicago Choral Competition. A great deal of their success is a result of capable direction of Mrs. Scanlon.

In future years at Harrison, the choir will strive even harder to serve the school to the best of their ability and to uphold its fine tradition: "Harrison Tries, Harrison Succeeds".

RED CROSS HOME NURSING

The girls in Home Management have greatly enjoyed their Red Cross Home Nursing lessons with Miss O'Brien. Her patient and careful guidance of the Junior and Senior girls has provided valuable experience which will aid them in their future responsibilities of marriage and motherhood.

The students were also fortunate in having Miss Twitchell, R.N. give instructions on "Maternal and Child Care." The girls, as matured young ladies, learned the essential duties of baby care. These courses in the care of the baby were especially enjoyed by all the girls who are planning a future of homemaking.

MISS ELIZABETH O'BRIEN
Instructor

The Home Nursing students have also learned to make beds properly, read thermometers, and take care of any member of the family who is in need of nursing aid, and to keep a daily record of the patient's progress and reactions for the doctor.

The students, by acting as patients and learning to care for adults, as well as for infants, have successfully completed the course and were presented with Home Nursing Certificates.

Division 5-340 has come a long way since that day. We are represented in such activities as the Treble Choir, Orchestra, Honor Society, ROTC, Herald Staff, Student Helpers and Hall Guards.

Under the fine leadership of Miss O'Rourke and equally fine class officers, we have advanced steadily forward. There is still much we hope to accomplish before we complete our high school education.

Three short years ago, the students in our division entered Harrison as scared little freshies. We all thought that it would take forever before we became seniors, but now it seems the time is going too fast. We are upper classmen now, and we must strive to reach our peak as mighty seniors.

Since our freshie year, much progress has been recorded in the history of our division. Leon Closs has been commissioned a second lieutenant in the ROTC, while in the sports field our boys have added two guards and a tackle to our football team in Mancini, Greico and Bartoszek. We also have the honor of placing Nick Viccicondi on the basketball team as a guard.

With the help of our capable division teacher, Miss O'Brien, we will strive to better our past achievements so that all of Harrison will be proud of us.

We are proud of the many activities we have entered, such as: Band, Choir, Chorus, ROTC, and Student Helper. Together we will continue to co-operate and succeed in making our division one of the best in the graduating class of 1953.

Our division is well represented in the various activities here at Harrison, and our representatives are doing a fine job of keeping us informed of school activities.

If you are looking for an active junior group, you needn't look any longer; Division 5-123 heads the list. The students of this division participate in many school activities. We are members of the Orchestra, Swimming Team, Football Team, Band, Registration Club, and Red Cross. We also have 100% Herald subscriptions.

1B, 1A, 2B., and finally 2A; the two years that we have been at Harrison have gone by very fast. It seems just yesterday we came in as Freshies. In our short time here we have accomplished many things. Members of our division are on the honor roll, have perfect attendence records and participation in Intramural basketball and football teams.

We are under the capable supervision of Mr. Touminen.

Division 4-341 has a new division teacher—Miss O'Rourke. We the members of Division 4-341 intend to do all we can to help keep her as our division teacher for the rest of our stay at Harrison High.

Division 3-327 is a happy Sophomore division. We try to attend all of our school activities.

We are one hundred per cent in the Harrison Herald and the Student Welfare collections.

At present we have seven pupils on the Honor Roll and hope to increase this number.

What a Division!

We're on the Beam!

We have six students on the Honor Roll, nine with perfect attendance. Also a few boys are in the ROTC, and a few boys on the basketball team, and some girls and boys on the school bowling teams. Our student councilor is a very good one, and our treasurer is doing a wonderful job collecting all our contributions. Of course, our wonderful division teacher, Mrs. Vanni has been helping us a great deal. Here's hoping we will all keep up the good work that we have been doing.

Let's be Keen and stay on the Beam.

DIVISION 3-332

Mr. Leo Lejeck

Division 3-332 is enthusiastically striving to earn a prominent name for itself in the long and glorious history of Harrison High. Each student is struggling for recognition in the field of his particular interest; whether it be music, art, sports or scholarship.

Our scholastic record is high, and we have had a number of "E" students on the Honor Roll since our 1B days.

We are interested in many of the activities that Harrison has to offer including Band, GAA, and intramural athletics.

In the future we hope to maintain our good record and possibly improve it under the capable guidance and helping hand of our division teacher, Mr. Lejeck. We are eagerly awaiting the day when we can hold our heads high and announce to the world that, "We are Seniors."

Our division teacher, Miss Johnson, has been very helpful, and she has done her utmost to make our division a success.

• • •

After concluding our freshman year, we find ourselves as one happy family, looking forward to more promising years at Harrison. Our honor roll includes more students than it did last semester, and we hope that the number will increase as we become upperclassmen. DIVISION 3-308

Miss Helen O'Day

Upon entering Harrison in 1950 as "green" freshies, we had many difficulties to face. With the assistance of our division teacher, Miss O'Day, we managed to adjust ourselves to the high school routine.

At last we are Sophomores! Since we came to Harrison to enter a new phase of education, we have striven hard to achieve a high scholastic rating, and to maintain the tradition and spirit of Harrison to the best of our abilities. We know that with the guidance and supervision of our division teacher, we will, in 1954, be able to look back with enthusiasm and with pride to our achievements and activities.

We take an active interest in school activities; our division is represented in the band, choir, chorus, ROTC, and GAA. In sports, our boys were the 1951 Champion Intramural freshman softball players.

DIVISION 3-206

Mr. John G. McClellan

It takes determination and hard work to get a high school education. The course has already become too strenuous for some of our number, and our roll has dwindled to seventeen boys and seventeen girls. However, we have closed our ranks and are proceeding with renewed vigor toward our high school diploma.

We are finding that our school days pass too quickly as we participate in more school activies. Band, Orchestra, R.O.T.C., and the Girls' Athletic Association make high school life very interesting.

June, 1954 will arrive too quickly, for all of us. We are sorry to see our pilot, Mr. McClellan, leave us in June 1952.

The Harrisonian delegate is Marcella Mikulecky, our Herald, Student Council, GAA, PTA Representatives are doing a fine job. Five students have made Honor Roll averages. Under the direction of our division teacher, Mrs. Grace Thrane, we hope to graduate in June 1954 with flying colors.

• • •

There are many different activities in which division 2-342 has participated. We have members on the Honor Roll, in the ROTC, Girl's Chorus, Mixed Chorus, Orchestra, and Social Laboratory. We also have members on the Baseball and Basketball Teams. Each girl is a member of the GAA. We hope that our division will be as active in the future years.

DIVISION 2-348

Mrs. June Korey

Energetic! Athletic! Active! These words easily describe the thirty-four freshmen of Division 2-348. Mrs. Korey is constantly encouraging us to participate in extra-curricular activities and urging us to strive for scholastic honors.

Although we are only "1A's" we are well represented in such activities as Social Laboratory Hostesses, R.O.T.C., Girls' Chorus, and Registration Club.

We are indeed proud of James Dimitrios who received his minor "H" for track and of Ronald Sis, captain of the 1A Cross Country team, who earned his major "H" for his outstanding track work. Bill Strzelec the human fish, and Ivory Smith, are two more of our fine athletes.

We intend to make Harrison proud of us, for we plan to continue striving until we reach the top.

We are looking forward to the future and we hope we always will be a credit to our school.

Division 3-316 has four pupils on the honor roll and three pupils with perfect attendance. We have a potential great football player in our division, who is Robert Markes. These and other outstanding achievements, make ours one of the most spirited and hard-working divisions at Harrison.

Our division teacher, Mr. Levin, receives a sincere "Thank you" from every member of his division for helping and guiding us when we were in need of his assistance.

In conclusion, we would like to say: "Thank you, Harrison, for what you have done, and will do for us."

DIVISION 1-228

Mr. Frank Saratowicz

We are 35 energetic students in Division 1-228 and we will try for four years to meet the high standards of Harrison. We are already well represented in the many school activities. The boys have organized a fine basketball team, and our delegates and our class officers are doing an efficient job of keeping us informed of school business. We are represented in the music department and band.

We are just a bunch of Freshies, and have had a hard time making adjustments to the school and new teachers. We are green now, but just watch us! We're proud of Harrison and we'll make Harrison proud of us.

Our thanks and appreciation to our wonderful division teacher, Mr. Saratowicz, who will help us through our four years.

This fine group of boys and girls of Division 1-320 has come to Harrison from many different elementary schools. The division members work together as though they had known each other all their lives.

Our social activities at Harrison are few (only six fields) since we are a new division, but we intend to change this in the near future.

DIVISION 1-120

Mrs. Gwendolyn Miller

With the guidance of our division teacher, Mrs. Miller, the students in division 1-120 are all striving toward success.

Our division has participated in activities such as: R.O.T.C., Band, Student Council, Gymnasium Helpers, Library Helpers and Chorus. Our boys have their own basketball team.

We are just beginning our high school careers and we expect to establish good records of achievement. We have entered Harrison with the hope of becoming one of the outstanding divisions in the school. We realize that now is the time to study and store up knowledge which will enable us to enrich our lives.

As the semesters pass, we will, with Mrs. Miller's help, make our four years record one that we can be proud to say is ours.

DIVISION 1-117

Miss Junia MacMillan

Our division 1-117 has many great sportsmen and sportsgirls. There are two boys, only freshmen, who have made the baseball team here at Harrison, and one boy has made the Frosh-Soph football team. The girls' GAA Delegate has kept up with our school so far.

The Herald agent and the alternate, the class President, and Vice President and other officers help us in many ways.

Many of our boys and girls have made the Honor Roll.

Our teacher, Mrs. MacMillan says we are a very fine division, dependable and considerate. We like her too.

DIVISION 1-116

Mrs. Elsie Seaton

Know us? We're the astounding group of freshmen who tripped our way into Room 116 one September day in 1951! At this writing, we are just finishing our first semester at Harrison and we already have set our sights toward the hall of fame.

Now, don't think we're bragging, but we do claim we have possibilities. Here are a few of our accomplishments: our PTA membership is the highest at Harrison; our Bow Day contributions to the Social Laboratory exceeded those of all the other divisions in the school; our donation for Wounded Football Players ranked second only to a 4A division; we contributed 100% to the Welfare Fund, and our subscription for the Herald is 100%. Our girls' volley ball team is "almost" champion of freshies. We have six candidates for the Honor Society and eight pupils have not been absent nor tardy. We even have some budding romances which are just about ready to burst into bloom. Harrison—Watch Us Go! We'll be seeing you!

Under the leadership of Mr. Bassett, Division 1-336 is reaching success. We students have joined many activities. There is never a dull moment in our division. We also have four Honor Students. We have seventeen girls and seventeen boys in our division.

• • •

Division 1-330 owes its successful achievements mainly to two things, the co-operation of the classmates and the expert supervision of our division teacher, Mr. William Hayes.

There is always a feeling of good fellowship and if in need we know that we may depend on one another for help. Together we will continue to co-operate and succeed in making our division one of the best in the graduating class of 1955.

With the skilled supervision of Mrs. Williams, our division teacher, we hope to reach our goal; that of becoming good citizens of our school, and nation.

• • •

Our division is composed of thirty-nine boys and girls from more than twenty schools that are within, and also, outside of Harrison's school district.

The first month we discovered we had several prospects for the Honor Society. Several other students showed fine school spirit by enrolling in organizations. We are represented in the R.O.T.C., the Chorus, the Treble Choir, and the Band.

DIVISION 1-228

Mr. Frank Saratowicz

After completing eight years of grammer school, we, the members of Division 1-228, are ready to undertake a new step in furthering our education.

We made a good start by electing our division officers.

They are:

President .....Antoinette Soukup
Vice-President .....Catherine Saviano
Secretary .....Donna Fantozzi
Treasurer .....Tony Sarocco

We will strive in every way to make good grades, and we hope to have a large percentage of our students in the Honor Society by the time we reach our 3A semester.

Because Harrison has so many activities, there is sure to be something to interest everyone. Membership in all of the activities is our goal.

When all of our ambitions are turned into a reality, our division will have a record of fine achievements. On our graduation night we will take with us happy memories of our high school days.

DIVISION 1-120

Mr. Marvin L. Perlstein

We, the Freshie class of Division 1-120, are planning to live up to the high standards of Harrison High School, adjusting ourselves to the school and the teachers.

We could not have succeeded had it not been for the fine guidance given to us by our division teacher, Mr. Perlstein.

The membership of Division 1-120 is made up of 38 determined pupils. We are all determined to take advantage of the fine education Harrison is offering all of its young people. We know that our division will be well represented in all of the activities at Harrison. We are determined to bring honor to Division 1-120 through our success in our studies, social and athletic activities.

FOOTBALL 1952

One point was all that separated the Hornets and a possible city championship. By failing to convert the extra point, the Hornets took a 7 to 6 setback from Lane Tech in a semi-final game at Soldiers' Field.

Under the fine coaching of Mr. Dougherty, and led on the field by co-captains Chuck Gorra and Richard Rylewicz, the Hornets finished with a record of 7 wins and 3 losses.

This record was made by beating such teams as Marshall, Dunbar, Crane, Kelvyn Park, Steinmetz, Foreman, Schurz and losing to Austin, St. Rita and Lane.

Our indoor and outdoor track teams had a very nice season. In the track events, the Senior boys did exceedingly well.

Our Juniors led by Captain Jack Kososki also had a good season.

Coach Friedman lauded highly the spirit and determination of these two squads.

SWIMMING TEAM

In June the Harrison swimming team will lose two of its best swimmers—Tom Hejna and Jack Moskiewicz. Both boys have placed first in many meets.

Jack Moskiewicz has won both city and state championships in free style events, and is, without doubt, the best swimmer Harrison has ever had.

The team, however, expects to do great things next year, as there are fine swimmers remaining on our team.

VOLLEY BALL CHAMPS

Three cheers for the girls of Division 6-214 who are school champs. Competition was keen: but hard play, cooperation and teamwork helped these girls to claim top honors. Blue and gray chevrons were given to each girl along with the honor of being a school champion.

ENGINEER AND STAFF

Mr. Galhouse and his staff appreciate the co-operation of the faculty and students in making Harrison an attractive place to see and to attend. Being situated on the boulevard, our building attracts many eyes; therefore, the staff tries to keep Harrison looking its best.

THE REST ROOM

Mrs. Folan renders first aid and general assistance to the Harrison girls. The students always find her helpful and sympathetic.

LUNCH ROOM STAFF

"BALANCED FOOD MAKES
BALANCED MINDS"

The part food plays in the human body is directly relative to physical well-being and indirectly relative to mental well-being.

The Lunchroom staff provides for one-third of our daily food requirements by offering well-balanced nutritious plate lunches daily. The menu varies every day and is made up of popular food items.

Good Luck always Love Joann Sfez.
